

Warranty

iAir is proud to back our products with the strongest warranty in the industry:

With No Registration – Warranted to the Homeowner

iAir performs under even under the most demanding heating and cooling conditions, and our innovative 1-10-10 no-registration limited warranty gives maximum peace of mind. iAir covers units installed in residential applications. Warranty coverage begins from date of manufacture.

With Registration - Warranted to the Home

With product registration, every piece of equipment installed in residential applications is warranted to the home, not the homeowner—providing an extra measure of coverage when it comes time to sell your home. Limited Warranty coverage begins from date of installation. Requires on-line registration to be completed within 90 days from purchase and installation.
